## 27 June 2013 – Thursday

8:30      **Networking Coffee**

9:00      **Plenum: Overview of the Day**

9:05      **Key Note Speech: Cooking Energy and Climate**

**Daniele Violetti, PhD**, Chief of Staff, United Nations Framework Convention on Climate Change (UNFCCC)

9:40      **Introduction to Parallel Workshops**

10:00     **Parallel Workshops**

**WS 1: How can we contribute to the “100 Million by 2020” Goal?**

Issues in focus: Achievements to date and contribution to the Alliance's overarching goal, monitoring approaches of different cooking energy interventions at global, international and national level, options for harmonizing different monitoring interests and approaches.

**WS 2: Going to Scale – How the private and public Sectors can join Forces to create vibrant Markets for clean Cookstoves**

Issues in focus: Vision of a vibrant market; roles, potential, and barriers of the public and private sector players at international, national and local level; policy instruments, regulatory framework conditions, available financing instruments. After a joint starting session this workshop will be split in two sub-groups, working on:

**2.1** challenges and recommendations for national/local production

**2.2** challenges and recommendations for multi-national production

**WS 3: Emerging Opportunities in Cooking Fuels and in changing Cooking Habits**

Issues in focus: Latest developments of solid biomass energy supply, and best practices in behavior change approaches, usage patterns.

**12:30      Lunch**

**14:00      Continuation of Parallel Workshops**

**15:30      Coffee Break**

16:00 – 16:45 **Plenum: New Initiatives**

**19:30 - 22:30   Dinner Cruise on the Rhine River**

## 28 June 2013 – Friday

8:30 **Networking Coffee**

9:00 **Plenum: Overview of the Day**

9:05 **Plenum: Outcomes of Parallel Workshops and Recommendations for Partners**

**Moderation: Dr. Philip Mann**, Project Manager, EU Energy Initiative, Partnership Dialogue Facility (EUEI PDF)

9:45 **Panel Discussion:**
